

This is an exciting, and significant, time for Together Newcastle as we look back on 8 successful years of partnership and action and look forward to building on the strong foundations laid in recent years, recruiting staff, and delivering on our new business plan.

Our current key strands of activity are:

- Places of Welcome ([Link](#))
- Know Your Church, Know Your Neighbourhood ([Link](#))
- Financial Inclusion ([Link](#))

We would welcome enquiries from people with Marketing & Communications / PR / Fundraising / HR or other relevant experience who might be interested in becoming Trustees for Together Newcastle to expand our active and passionate team.

In the first instance please contact our Chair, Mark Wroe, by email:

northumberland@newcastle.anglican.org

We look forward to hearing from you.
