

BUGGIES 4 BRUM

Child poverty in Birmingham has reached crisis levels — **46% of children, over 104,000 of our residents are living in poverty.** The Safe Sleep Scheme helps families with children under 5 in crisis. Current funding doesn't cover buggy/pram costs, and many professionals working with families ask for this help and support.

How you can help:

Donate a Preloved Buggy:

Donate your used buggy or pram. Our charity partners will repair and clean it. Double buggies and newborn prams are especially needed!

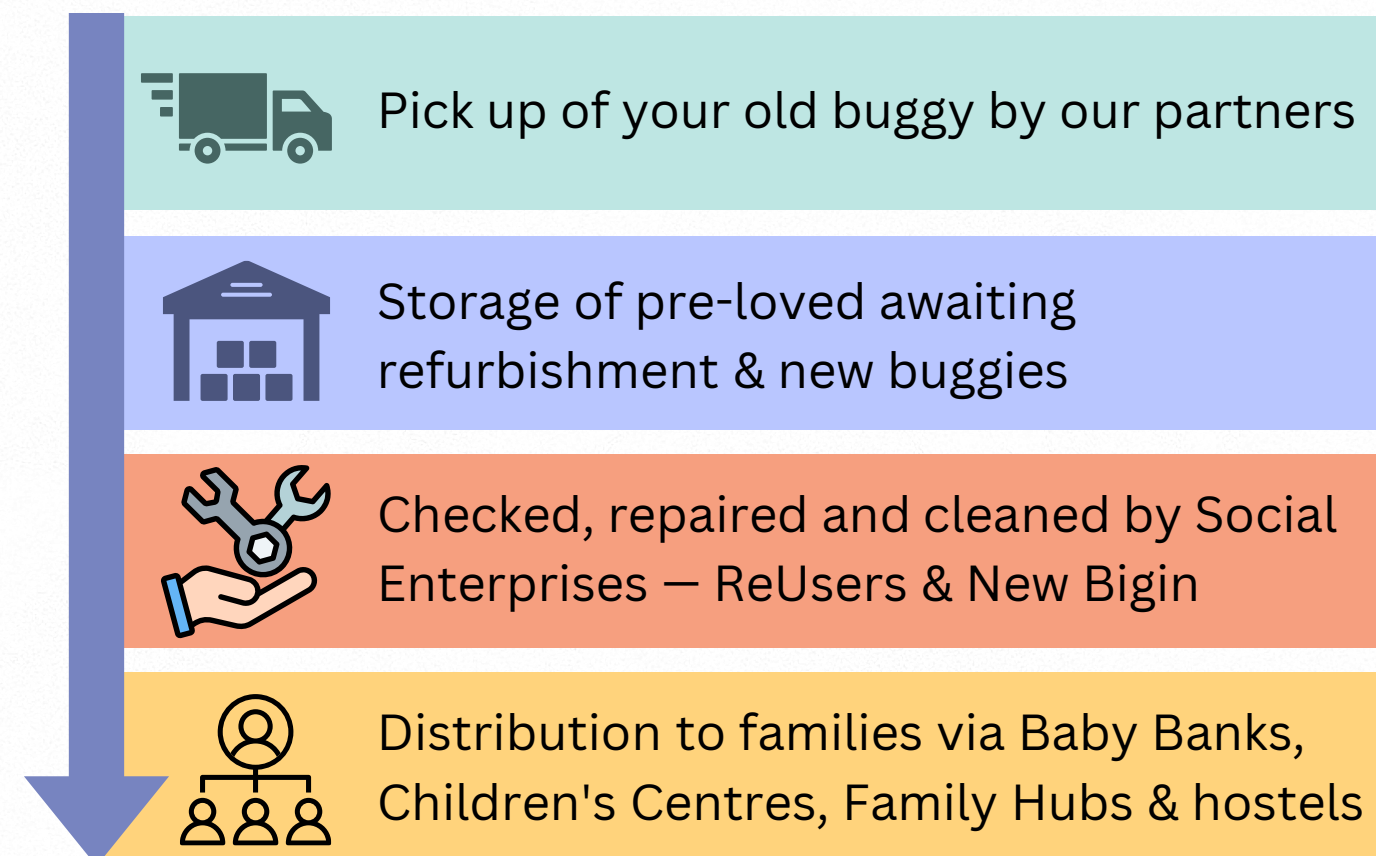

Make a Financial Contribution:

Help us buy new buggies in bulk. Your donation also supports Living Wage jobs for young people who refurbish the buggies.

Further information please contact Emma,
Birmingham Play Care Network emma@bpcn.org.uk

How it works:

Outcomes Supported:

- Child Safety and Health
- Social Inclusion
- Parental Wellbeing
- Community benefit
- Reduced long-term costs
