

# Looking for a care home or a home care package? We can help

CHS Healthcare is the UK's leading specialist in helping people to find the right care. We work with homes and providers across the UK to ensure we can find the right care for you.

- ✓ We offer a **free and independent** service that can help you find care.
- ✓ We offer a dedicated adviser to support you every step of the way to find the right care for you.
- ✓ We work evenings and weekends, so we are available when you are.

We can support you in finding:

Residential Care Home

Dementia Care Home

Nursing Care Home

All packages of care, including Live-In Care Services.

Our aim is to help everyone live their lives as fully as possible.
