Meal Provision in Bradford – no referrals required

UPDATE – CORONAVIRUS 2nd JULY 2020 – Version 14

Due to the current Coronavirus Crisis, the Government has advised people not to meet. Therefore, some of our food providers had to make adjustments to their services. **These updates are listed below**, this list is a work in progress and we will update this as soon as we get more information. If you know of any further details, please get in touch.

Wellsprings Together with the support of City of Bradford MDC have produced this resource which provides details of where food is served free or on a pay-as-you-feel basis across Bradford without a referral needed. The information in this booklet can be shared with members of the public. This resource will be updated and is available online at <https://wellspringstogether.org.uk/resources>
