## Arts Council National Lottery Project Grants

[www.artscouncil.org.uk/projectgrants](http://www.artscouncil.org.uk/projectgrants)

Arts Council National Lottery Project Grants up to £100,000 for not-for-profits in England focused on the arts, museums and libraries projects. The programme sets out to achieve ACE's mission, 'great art and culture for everyone'. Project Grants supports a broad range of not-for-profit projects that create new work and sustain quality to help new audiences across England to engage with arts and culture. Applications must include at least 10% partnership funding from sources other than the Arts Council. Decisions on applications for £15,000 or less take six weeks. Decisions on applications for over £15,000 take 12 weeks.

## Barclays Community Football Fund and the Sported Foundation

<https://sported.org.uk/barclays-community-football-fund/>

Grants of £1,000 to make playing football more accessible at grassroots level for under-represented groups, including girls, young people from disadvantaged backgrounds and young people with a disability.

Community organisations that are keen to offer football and want to expand their existing provision to new audiences, as well as organisations that are already delivering football to under-represented groups are encouraged to apply. The engagement should be focused on including and inspiring girls and young people from lower socio-economic and under-represented groups, including culturally diverse communities, young people with disabilities, and young people from the LGBTQ+ community.

## The Central Social and Recreational Trust

[www.csrt.info](http://www.csrt.info)

- Advance the education of the public by means of research and dissemination of information in relation to agriculture
- Advance the education of young people within rural areas
- Relieve poverty within rural areas
- Promote the benefit and social welfare of inhabitants of rural communities by associating together with the inhabitants and local authorities, voluntary and other organisations to advance education and leisure
- Promote research into agriculture associated activities
- Advance the education of the public by means of research and dissemination of information in relation to insurance provided that the charity may also promote, facilitate and support any such other purposes as are exclusively charitable according to the laws of England and Wales

\*Please check the website for details of grant deadlines.

### The Radcliffe Trust

[www.theradcliffetrust.org](http://www.theradcliffetrust.org)

The Radcliffe Trust support two funding schemes:

- Heritage and Crafts: supports the development of the skills, knowledge and experience that underpin the UK's traditional cultural heritage and crafts sectors. This includes support for: craft and conservation training; practical projects, particularly those that include a strong training element; strategic and capacity-building projects which demonstrate clear benefits to the sector; Special Needs projects whose emphasis is on skills development.
- Music: supports classical music performance and training, especially chamber music, composition and music education. Particular interests within music education are music for children and adults with special needs, youth orchestras and projects at secondary and higher levels, including academic research.

### **The Schroder Charity Trust**

<https://schrodercharitytrust.org>

The Schroder Charity Trust's Board of Trustees has made the decision to temporarily close its grants programme. The Trust has historically provided one-off grants of up to £5,000 for a broad range of charitable purposes.

At the time this list was updated, their website stated that they anticipate reopening the grants programme in late 2025.

### **The Scops Arts Trust**

[www.scopsartstrust.org.uk](http://www.scopsartstrust.org.uk)

The Scops Arts Trust is inviting applications to give people of all ages across the UK opportunities to understand, participate in and enjoy the performing arts.

Most of the Trust's grants are for projects but it will consider contributions towards specific core costs of smaller UK organisations where a grant from the Trust could make a significant impact.

The Trust generally supports registered charities. However, it will also consider applications from community groups and social enterprises if they are formally constituted and have clear charitable purposes.

Trust focuses on a particular area(s) of the performing arts in each of the grants rounds. For the latest information visit the Trust's website.

### **Sport England Movement Fund**

<https://www.sportengland.org/funding-and-campaigns/our-funding>

Grants between £300 to £15,000 for physical activity projects in the community. The focus is on people who face barriers to activity and projects designed to help them join in. There's no deadline for applications and you'll usually get a decision within six weeks. Visit the website for the latest information and apply.

### **The Stanley Grundy Foundation**

<http://grundyfoundation.uk/index.php>

Grants generally of either £4,000 or £5,000 are available to UK registered charities that are working to advance education, relieve poverty, support children and for medical charities in the UK and/or overseas. Donations are generally targeted sums for specific projects or initiatives rather than to support general expenditure. The Foundation welcomes appeals from smaller specialist charities where a relatively small grant can make a real difference.

Applications may be made at any time by email to: [admin@grundyfoundation.uk](mailto:admin@grundyfoundation.uk)

The Foundation meets twice annually to review applications - in April and October.

### **The Sylvia Waddilove Foundation UK**

<https://pwwsolicitors.co.uk/charity-grants/waddilove-foundation-uk>

The Foundation provides grants, typically between £1,000 and £5,000, to charities, community interest companies and registered societies. Primarily the Foundation provides grants to fund or part-fund the capital costs (of a new project). Applications involving innovative projects are particularly welcome.

The Foundation provides grants to organisations in the following categories below.

Promotion and education of organic farming, non-domestic animal husbandry and veterinary science

Visual and performing arts

Medical research

Relief of disability and severe illness

The preservation of buildings of architectural or historical significance.

The accommodation of those in need.

Note that applicants must have existed for at least 2 years before applying. The trustees meet four times a year and aim to consider 30 applications at each trustee meeting. If a high volume of applications is received, the Foundation reserves the right to close the application window early.

### **The Weinstock Fund**

<https://www.weinstockfund.org.uk/index.html>

Grants of between £2,000 and £5,000 for UK registered charities particularly in the South-West and in the fields of welfare, children, education, medicine, music and the arts.

Grants can be awarded for a period of up to 3 consecutive years.

\* The Trustees prioritise charities that the Weinstock Fund has supported historically. An application by a charity not benefitted by the Weinstock Fund since 2018 is unlikely to succeed. Eligible applicants should submit their application at least 6 months before their project is scheduled to commence.
