Strengthening Faith Based Social Action in Cornwall

Grants List 16th October 2020:

We have created this list of possible funding that might be suitable for some of our wonderful Cornish foodbanks, grass root initiatives and Faith based social action projects. The list has a very comprehensive section on hardship funds for Individuals which may be of relevance to your communities and people that you serve.

We are updating this list weekly as the funding environment continues to change at pace. Many of the grants related to Covid-19 are very quickly changing at the moment, so we would recommend that if you see a relevant emergency or individual grant open, apply quickly.

We have also started to add in a number of other Christian and mainstream funders who might support your project in the longer term.

Please contact funders directly with queries on their grant programmes but do please get in touch with Transformation Cornwall if we can help to support you in any way: Info info@transformation-cornwall.org.uk
