Strengthening Faith Based Social Action in Cornwall

Grants for Groups in Cornwall.

1st June 2022

We have created this list of possible funding that might be suitable for some of our wonderful Foodbanks, grassroots groups and Faith based social action projects in Cornwall.

We are updating the grant lists monthly as the funding environment gradually begins to settle. However, funding opportunities are continuing to change at a pace so we would suggest that if you see a suitable grant open that meets your needs to go for it. New funding opportunities will also be sent out in the weekly food alliance newsletter

We also update a grants list for individuals and families in need of emergency financial help. The comprehensive list includes grants for those who have worked in certain professions, support for disabled people, young people, and so much more. You can find the list here:

<https://transformation-cornwall.org.uk/resources/transformation-cornwall-grants-list>

Please contact funders directly with queries on their grant programmes but do please get in touch with Transformation Cornwall if we can help to support you in any way: info@transformation-cornwall.org.uk
