**Covid-19 Emergency Fund:** 2020 has been a difficult year for everyone, but one of the worst hit sectors has been the care sector. Many care workers were launched head-first into this pandemic with inadequate equipment to protect themselves and others. Some suffered a loss of income due to self-isolation because of Covid-19, due to contracting the virus, childcare issues, losing a loved one to Covid-19 just to name a few. The CWC launched the Covid-19 Emergency Fund in March 2020 to provide financial aid to care workers with immediate needs. We have raised over £2million and have paid out almost £2million in grants to care workers in need.

**Mental Health Support:** The CWC is working towards a more holistic offering for care workers that doesn't just involve financial aid and part of that progression is the introduction of Mental Health Support. We have now launched our Mental Health Support Programme which will be able to offer care workers struggling with mental health free treatment with qualified therapists.

To qualify applicants must:
