Feedback

"Was great to be able to meet today to share and prayer together thanks for organising this and for all you do."

Church Community Manager

"Thank you so much for this email and invitation. So grateful to you for taking this lead."

Church Community Lead on meet up for local church community project leads

"I think that went REALLY well! Hope you did too - thanks so much for collaborating on it with me!"

Acts 435 Partnerships Director on jointly run Acts 435 introduction session for churches

Imagine Norfolk Together is a partnership between the Church Urban Fund and the Anglican Diocese of Norwich.

Imagine Norfolk Together brings people and resources together to build active flourishing communities. We work in partnership with faith groups, grass roots organisations and local government to bring about positive change.

Positive change in 2021

"I was swimming in debt, and I kept brushing it under the carpet, hoping it would go away. I had debt collectors coming to the door. Eventually I realized I needed help and was put in touch with the debt centre...it was nice to know someone cared. I learned to do a budget listing each month and I stuck to it religiously. Now, life couldn't be any better, I've got a better flat, I'm warm, I've found my feet and I'm now on the path to getting myself back into work. The whole process is amazing really."

- Client, Kings Lynn Debt Centre
