TOP TIPS

- Don't go straight for big stuff!
- Do think about how people can access your project.
- Do include adequate monitoring and reporting systems.
- Do learn from other projects' good practice.
- Remember sustainability is also about the social impacts.
- Use your project to make the world a better place!

WHAT FUNDERS SAY:

“At The National Lottery Heritage Fund we have a crucial role to play in ensuring that our impact, and the impacts of our projects, are no longer damaging the world around us, and are **enhancing, protecting and benefiting the places and people we support.”**

Garfield Weston

Environment

Our Trustees are committed to the natural world at this critical time and support many UK environment charities via core costs or project work.

Examples of support include: sustainable land use & fishing, renewable energy, recycling schemes, biodiversity, species preservation, marine life, education, climate change science and conservation in the UK Overseas Territories.

Transformation Cornwall and Diocese of Truro

We want to ensure that our natural world is restored and protected and that people benefit from that recovery. Working with others, we will contribute to three key impact goals: preserved and improved species health and habitats, clean and healthy freshwater, and sustainable and ethical food.

GRANTS LIST

TRANSFORMATION CORNWALL[†]

Strengthening Faith Based Social Action in Cornwall

Grants for Groups in Cornwall. 2nd July 2021

We have created this list of possible funding that might be suitable for some of our wonderful Foodbanks, grassroot groups and Faith based social action projects in Cornwall.

We are moving from updating the grant lists weekly to now updating them fortnightly as the funding environment gradually begins to settle. However, funding opportunities are continuing to change at a pace so we would suggest that if you see a suitable grant open that meets your needs to go for it.

We also update a grants list for individuals and families in need of emergency financial help. The comprehensive list includes grants for those who have worked in certain professions, support for disabled people, young people, and so much more. You can find the list here:

www.transformation-cornwall.org.uk/resources/transformation-cornwall-grants-list

Please contact funders directly with queries on their grant programmes but do please get in touch with Transformation Cornwall if we can help to support you in any way: info@tw@transformation-cornwall.org.uk
