# REPAIR CAFES

## WHAT IS A REPAIR CAFE?

There are basic skills that can help us get by day-to-day that can extend the life of the things we buy. Repair Cafes offer the opportunity for people to learn something new by chatting and watching the volunteer repairers.

### Want To Learn To....

Sew on a new button?

Fix a zip to your coat?

Wire a plug?

And fix broken furniture,  
electrical gadgets, bikes, and toys?

# REPAIR CAFES NEAR YOU!

(We recommend you contact your local Repair Cafe/the venue before your visit. This information was correct at the time of publication but we know details change!)
