# About The Event

Meet the Funders (MtF) is an innovative year-long programme that strengthens community work in Cornwall. We support projects that address poverty, exclusion, isolation, and rurality.

We believe that the best people to develop flourishing communities are the communities themselves and that faith groups in Cornwall are often at the very heart of that!

MtF begins this year on the 25th and 26th of May with our Spring Event. These days are an opportunity for Cornish projects seeking funding to meet and network with a large number of local and national funders.

The days will be hosted by the Bishop of St Germans, the Rt Revd Hugh Nelson, and Donna Birrell, Vice-Chair of Churches Together in Cornwall.

The event is supported by a series of smaller community workshops. The workshops take participants through the key stages of developing, funding, and sustaining a community social action project.

Meet the Funders is open to people and projects of all faiths and none. The programme is run as a partnership between Transformation Cornwall and the Diocese of Truro.

# Event Focus

Last year the focus for Meet the funders was 'Climate Emergency' and this year we expand the thinking with the theme 'Living Today with Tomorrow in Mind'.

This year we are asking from the very core of who we are; 'how will we live in the now, in such a way that enables the flourishing of all creation – both now and in the future?'

The Diocese of Truro has published its vision and strategy for creation care with the key aims of:

**Cherish Creation:** We will encourage the diocese and all people of goodwill at every level to care for those parts of God's good creation for which we have responsibility, stewarding them for the benefit of plants, animals, biodiversity and all creation.

**Cut Carbon:** We will cut our carbon footprint year on year and to net zero by 2030.

**Speak Up:** At every level of the diocese and our extended communities, we will speak up and act boldly to promote the enjoyment, cherishing and sharing of God's good creation and, where possible and resources allow, we will work in partnership with others who share the same aims.

**Cherish Creation**

**Cut Carbon**

**Speak Up!**

## EVENT FOCUS

---

This new strategy will seek to develop local leaders by together growing our knowledge and understanding, empowering local champions to be vision carriers and local change agents, develop resources for church and wider communities, develop the theological thinking around environment & creation care and provide routes for personal, community and organisational change. This is a faith-filled expression of living today with tomorrow in mind!

'Living today with tomorrow in mind' is very much a part of the lived experience of those who look to Jesus as their guide, friend, rabbi, and saviour. We attempt (however falteringly!) to live today as people who are loved and who love others, as people of compassion, as people who will stand with and speak up for the downtrodden, as people who will stand against injustice...and we often mess up! But we live this way... always looking to tomorrow... always holding the light of hope, because we trust and know (sometimes falteringly) that Jesus has not only won the day, but has also won the future!

As people of Jesus, as people of all faiths and none, as people of goodwill we are called into action to care for creation with hope, purpose and tenacity.

- We might do this by engaging with the Climate Emergency toolkit.
- We might do this by purposefully increasing biodiverse habitats in our gardens and communities.
- We might do this by buying local, organic, animal friendly, fairly traded, in season produce (LOAF) .
- We might do this through advocacy and Speaking Up to our local leaders, councillors and MP's.
- We might do this through entrepreneurship and creating a pioneering organisation, company or startup that sets creation care as its foundation stone.

We are all called to Cherish Creation, Cut Carbon and Speak Up...

**How will you live today, with tomorrow in mind?**

*Ben Lillie*
