Update on Cornish Foodbanks

16th July 2021

Foodbanks across Cornwall need supplies of all tinned, dried or long-life food items - with a typical food parcel including: Breakfast cereal, long-life milk, soup, pasta, rice, pasta sauce, tinned beans, tinned meat, tinned vegetables, tinned fruit, tinned puddings, tea or coffee, sugar, biscuits and snacks. Many of the foodbanks also collect: Baby food, baby milk, disposable nappies, washing up liquid, Washing Powder, soap, Dry Dog Food, canned Dog Food and canned Cat Food.

The way each Cornish foodbank runs is very unique, depending on volunteers, the building they operate, their capacity, their community and their opening times. If you would like to donate and support your local foodbank, we have included links to some of the foodbanks below; we have purposely included references to their Facebook pages where possible. If you could help your foodbank by looking at their Facebook posts before contacting them, that would be super helpful as these often have the most up to date answers to many queries. Facebook posts often also have details of any financial donation appeals individual foodbanks are running, or for some foodbanks with websites, there is often a direct link to donate money to them.

PLEASE NOTE: The mission of Foodbanks is to give out food parcels to people in need. Customers can access foodbanks with a food voucher. Many of the Foodbanks are now operating an e-voucher system but please check how your local Foodbank is operating.

There are many wonderful community food projects that people without Foodbank vouchers can access and, in many cases, this may be more appropriate.

In April 2021 we moved from a weekly foodbank update to a fortnightly foodbank update. We still try to make sure that this list is correct at the day of publishing and update some info from individual foodbanks as it comes in, but **PLEASE always get the latest information from that foodbank directly**. Our list is not exhaustive, there are other foodbanks in local communities across Cornwall and we would urge you to support any foodbank that you know of that is local to you.

Where available we have listed details for the foodbanks:

1. Opening times/referral procedures
2. Details for food donations
3. Local supermarket drop off points
4. Details for financial donations
5. Other

Facebook

www.facebook.com/Churches-Together-In-Penzance-Food-Bank-106562147928147

Phone number 07950 159841

Opening times/referral procedures

We are not serving clients at the store as we are doing deliveries. We are now only making deliveries to clients on Mondays, Wednesdays, Thursdays & Fridays.

Customers need a voucher from one of many agencies to receive food and our remit is for them to be in financial crisis. The reason for this is that food banks are expected to key in with other agencies who should also be helping people to get out of any such crisis. Do feel free to talk to us to discuss your needs and how best to help.

Most agencies where vouchers are supplied are closed, with staff working from home, so clients need to contact them & the agency worker informs us by email to whom they have approved vouchers. If they cannot raise the agency staff, they can phone our emergency number (above) for assistance.

Hayle Foodbank

About

Hayle Foodbank has been operating since 2012 supplying food to households in short term need in the Hayle / Connor Downs area. We are a relatively small operation compared to nearby foodbanks, only operating on a Saturday morning and supplying between 20 and 45 households a month. We run entirely from food and money donations from individuals, churches, schools and businesses in the generous and caring local community.

We heard from the super team at Hayle on the 14th July that the below was correct:

Facebook

<https://www.facebook.com/Hayle-Foodbank-506805902676744/>

Phone number

07713 171495 *PLEASE NOTE new number

Email haylefoodbank@gmail.com

Opening times/referral procedures

If you or anyone you know needs a short-term helping hand in the form of food parcels because of loss of earnings, awaiting benefits, homelessness, ill health, unexpected car bill etc. etc. then please get in touch. We are a group of Hayle volunteers who understand how quickly things can go pear shaped in the current climate and are completely non-judgemental and treat everything confidentially. All food has been donated by the fantastic and caring Hayle community!

Until we feel it is safe to open up the Methodist Church to people we are continuing to run a home delivery service and the system currently is:

1. **Self – refer:** to get up to 3 food parcels within a 12 month period by sending an email to haylefoodbank@gmail.com or ring 07713 171495, stating:
 - a. Name / address / contact number / contact email
 - b. Number of adults in your household, number / ages / genders of young people under 18 (this is so food / toiletries can be effectively targeted), any pets.
 - c. Any dietary requirements (vegetarian / allergies / lack of cooking facilities / if you prefer tea or coffee).

You will then need to email or phone in a request for food before 12pm on the Friday to have food delivered between 10 and 12 pm the following Saturday. You need to do this each time you need a delivery. Each parcel contains a lot of food so people often order every other week to stretch their allowance out.

If you need more than 3 parcels within 12 months you will need to be referred as below.

2. **Be referred by a professional / organisation:** to get up to 6 parcels in 12 months. Get in touch with professionals such as GP / Social worker / health visitor or by an organisation such as Citizens Advice / Library / Disability Cornwall etc. They will need to send an email to haylefoodbank@gmail.com or ring 07713 171495 with the above information and you will

then need to email or phone in a request for food before 12pm on the Friday to have food delivered the following Saturday.

3. **When restrictions on meeting indoors are finally lifted**: you will also have the option of self-referring and / or picking up your pre-packed parcel of food and chatting to our friendly volunteers in person by turning up at Hayle Methodist Church on a Saturday between 10 and 12pm. We will let you know when this is going to start.

* Any paper vouchers from the previous system will be honoured.

Opening times/referral procedures

At this time, wherever possible people collect food parcels at the door to the Foodbank. Please check our website or call in advance of your visit to confirm the foodbank is open as normal, any changes will be posted on our Facebook page and Website. Currently even though restrictions are being lifted we will continue to offer a collect at the door service to protect both our customers and our volunteers.

If you are in crisis and need help, please don't be afraid to ask for support. You can obtain foodbank support in one of two ways.

Firstly: If you are in touch with another Agency such as Citizens Advice you may have been given an electronic voucher. If so, present the voucher at the foodbank and we will ensure you receive a food parcel appropriate for the size of your family.

Secondly: If you don't have a voucher don't worry. You can still attend the foodbank and be assisted with food. We will take some details and if you need other help such as with fuel payments or other debt we can ensure you receive appropriate advice/support.

It is our belief that no one should have to rely on foodbanks for essentials such as food and we aim wherever possible to provide additional support and advice to improve your circumstances whilst still providing food, pet food, toiletries etc until you are back on your feet. This may include referring you to other Agencies with your consent.

Our opening times are as follows:

Tuesday: 10:00-12:00 - St Columb Church, St Columb Minor, TR7 3EY

Friday: 12:00-14:00 - St Michaels Church, Newquay, TR7 1RA

Saturday: 10:00-12:00 - Oasis Centre, St Columb Major, TR9 6RH

If you would like to discuss your situation before attending the foodbank please call us on 07810 271202

Truro Foodbank

About

Truro Foodbank are here to help people in FOOD CRISIS in Truro and the wider surrounding area from Perranporth to the Roseland. They are a Christian organisation, which is part of the Trussell Trust Network.

We heard from the fabulous team at Truro Foodbank on 1st July that the below is correct.

Facebook <https://www.facebook.com/TruroFoodbank/>

Website <https://truro.foodbank.org.uk/>

Phone number

07721 711669 (available for advice or information: 9-5 Mon, 9-1 Weds & 9-1 Fri).

Opening times/referral procedures

Truro Foodbank is committed to helping people in food crisis in the Truro area during this lockdown. Here is some information about how we are operating:

1. Customers will still need a Foodbank referral voucher number.

Most organisations that give out foodbank voucher numbers can be contacted by phone, email or text (eg text the word ADVICE to 78866 for Cornwall CAB to call you back) during lockdown so you should still be able to get a voucher number.

If in doubt about this please call us on 07721 711669 between 9-5 Monday, 9-1 Wednesday & 9-1 Friday so we can talk through your circumstances and advise you who you can contact to get a voucher number.

2. If you are unable to attend Truro Foodbank yourself to collect your food please remember a relative, a friend, a neighbour or a volunteer community helper can come to us to pick your food - just let us know who will be coming in.

3. When you come to either Truro Methodist Church on Mondays and Thursdays or All Saints Church on Tuesdays we regret we cannot spend time in lengthy conversation. Due to the Covid situation we all need to minimise contact time. Please wear a face covering if you can. If there is bad weather please book in with us on arrival and then wait in your car or follow other instructions.

4. We know for many people this might be the first time they have considered coming to a foodbank. These are unprecedented times so please do not think there is any stigma or judging involved; we are simply here to help people who are struggling with food crisis.

Please note the following information as it updates where and when customers can come to Truro Foodbank to collect food. We now have two distribution places and the Thursday

end time has changed. If you issue a Foodbank voucher to a customer, please advise them of this current information so they can decide if one venue is easier to get to.
