Update on Cornish Foodbanks January 2023

Foodbanks across Cornwall need your support! Many collect supplies of all tinned, dried or long-life food items - with a typical food parcel including: Breakfast cereal, long-life milk, soup, pasta, rice, pasta sauce, tinned beans, tinned meat, tinned vegetables, tinned fruit, tinned puddings, tea or coffee, sugar, biscuits and snacks. Many of the foodbanks also collect: Baby food, disposable nappies, cleaning materials, washing powder, soap as well as dry and canned pet food.

The way each Cornish foodbank runs is very unique, depending on volunteers, the building they operate, their capacity, their community and their opening times. If you would like to donate and support your local foodbank, we have included links to some of the foodbanks below; we have purposely included references to their Facebook pages where possible. If you could help your foodbank by looking at their Facebook posts before contacting them, that would be super helpful as these often have the most up to date answers to many queries. Facebook posts often also have details of any financial donation appeals individual foodbanks are running, or for some foodbanks with websites, there is often a direct link to donate money to them.

PLEASE NOTE: The mission of Foodbanks is to give out food parcels to people in need. Customers can access foodbanks with a food voucher. Many of the Foodbanks are now operating an e-voucher system but please check how your local Foodbank is operating.

There are many wonderful community food projects that people without Foodbank vouchers can access and, in many cases, this may be more appropriate. You can view some of these services on the Cornwall Council [‘Help With Food Map’](#)

We regularly update this information from individual foodbanks as it comes in, but **PLEASE always get the latest information from that foodbank directly.** Our list is not exhaustive, there are other foodbanks in local communities across Cornwall and we would urge you to support any foodbank that you know of that is local to you.

Where available we have listed details for the foodbanks:

1. Contact details
2. Opening times/referral procedures
3. Details for financial donations

Opening times/referral procedures

We are not serving clients at the store as we are doing deliveries. We are now only making deliveries to clients on Mondays, Wednesdays, Thursdays & Fridays.

Customers need a voucher from one of many agencies to receive food and our remit is for them to be in financial crisis. The reason for this is that food banks are expected to key in with other agencies who should also be helping people to get out of any such crisis. Do feel free to talk to us to discuss your needs and how best to help.

Many agencies where vouchers are supplied are closed, with staff working from home, so clients need to contact them & the agency worker informs us by email to whom they have approved vouchers. If they cannot raise the agency staff, they can phone our emergency number (above) for assistance. CTIPA Foodbank will not turn anyone in need away.

Hayle Foodbank

About:

Hayle Foodbank has been operating since 2012 supplying food to households in short term need in the Hayle / Connor Downs area. We are a relatively small operation compared to nearby foodbanks, only operating on a Saturday morning and supplying between 20 and 45 households a month. We run entirely from food and money donations from individuals, churches, schools and businesses in the generous and caring local community.

If you or anyone you know needs a short-term helping hand in the form of food parcels because of loss of earnings, awaiting benefits, homelessness, ill health, unexpected car bill etc. then please get in touch. We are a group of Hayle volunteers who understand how quickly things can go pear shaped in the current climate and are completely non-judgemental and treat everything confidentially.

Facebook: <https://www.facebook.com/Hayle-Foodbank-506805902676744/>

Phone: 07713 171495

Email: haylefoodbank@gmail.com

Opening times/referral procedures

The team will be reviewing the current arrangements in March 2022, but until then and we feel it is safe to open up the Methodist Church to people, we are continuing to run a home delivery service and the system currently is:

1. **Self – refer:** to get up to 3 food parcels within a 12-month period by sending an email to haylefoodbank@gmail.com or ring 07713 171495, stating:
 - a. Name / address / contact number / contact email
 - b. Number of adults in your household, number / ages / genders of young people under 18 (this is so food / toiletries can be effectively targeted), any pets.
 - c. Any dietary requirements (vegetarian / allergies / lack of cooking facilities / if you prefer tea or coffee).

You will then need to email or phone in a request for food before 12pm on the Friday to have food delivered between 10 and 12 pm the following Saturday. You need to do this each time you need a delivery. Each parcel contains a lot of food so people often order every other week to stretch their allowance out.

If you need more than 3 parcels within 12 months you will need to be referred as below.

2. **Be referred by a professional / organisation:** to get up to 6 parcels in 12 months. Get in touch with professionals such as GP / Social worker / health visitor or by an organisation such as Citizens Advice / Library / Disability Cornwall etc. They will need to send an email to haylefoodbank@gmail.com or ring 07713 171495 with the above information and you will then need to email or phone in a request for food before 12pm on the Friday to have food delivered the following Saturday.

You can obtain foodbank support in one of two ways.

Firstly: If you are in touch with another Agency such as Citizens Advice you may have been given an electronic voucher. If so, present the voucher at the foodbank and we will ensure you receive a food parcel appropriate for the size of your family.

Secondly: If you don't have a voucher don't worry. You can still attend the foodbank and be assisted with food. We will take some details and if you need other help such as with fuel payments or other debt, we can ensure you receive appropriate advice/support.

It is our belief that no one should have to rely on foodbanks for essentials such as food and we aim wherever possible to provide additional support and advice to improve your circumstances whilst still providing food, pet food, toiletries etc until you are back on your feet. This may include referring you to other Agencies with your consent.

Our opening times are as follows:
